SEARCHING FOR CSU DEGREE PROGRAMS AND SUBPROGRAMS

FINDING CSU DEGREE PROGRAMS (SYSTEM-WIDE SEARCHING)

CSU Degree Search Portal (Searching by Keywords)
Search Degrees at the CSU
- This website allows you to search for CSU degree programs and possible subprograms (i.e., concentrations, options, or emphases) by keyword(s).

CSU Degrees List (Searching by CIP Code)
Excel file provided
- This spreadsheet contains a comprehensive list of all CSU programs and subprograms and includes CIP codes and other data, which can be sorted by category and searched by keyword(s).

CSU Degree Code-CIP Code Crosswalk (Another Searching Option)
CSU Program Codes and Corresponding CIP Codes (updated frequently)
- This PDF lists CSU degree programs by generic title, CSU Degree Program Code, and CIP code. CIP definitions are also provided.
- This list does not provide information on subprograms.

CSU Academic Master Plan (Option for Searching for Projected Programs)
Downloadable Master Plan PDF (updated annually)
- This PDF includes a comprehensive list, organized by campus, of all existing and *projected* CSU degree programs (each campus' approved *plans* for proposing and implementing degree programs).
- There's an option to download a specific campus' academic plan.
- Academic master plans do not provide information on subprograms.

FINDING CURRICULUM DETAILS (CAMPUS-SPECIFIC SEARCHING)

Campus Catalogs and Department Websites
- Once a CSU campus' program/subprogram is identified, search for the program details provided in the most up-to-date version of the university's online catalog and/or the program/department website.
- Curricular details of the university's degree programs (program description, learning outcomes, program requirements, course titles, course descriptions) are provided in the university catalog.
- Example: Cal State East Bay's BA Art, Art and Design Concentration.
